## Town of Espanola: Street Banner Contest Rules & Guidelines

The 2019 Street Banner Contest features a call for entries from the following visual art categories:

- Photography

The banners will showcase Espanola's spirit, beauty, culture or heritage; the winning designs will be selected for display on street banners.

The contest is open to residents, property owners and those attending school in Espanola.

A contestant may submit up to 2 entries.

Identification including name(s), mailing address, email address, and phone number must be included in all online submissions, CD, DVD and memory stick submissions for consideration.

Submissions received without all the required contact information may be disqualified and will not be included in the final judging.

### Submission Details

Each entry must be submitted digitally and must be identified by your full name, image number and title of the art piece. ie. JohnDoe01-CityCentre.jpg; JohnDoe02-Naturewalk.jpg.

- Images or photographs containing identifiable individuals will be disqualified
- Photographs edited in a program such as Photoshop must be saved to retain a 300DPI resolution
- All artwork must be original work of the artist submitting to the contest. Please scan your image using a high resolution setting and keep the original (winners may need to have their artwork scanned professionally)
